

Welcome to Earth class assembly

Our wonderful day trip to The Tower of London

Tower Bridge

**Watching the
bridge go up!
It was
amazing!**

**On our way!
Mind the
gap!**

So excited
to be on a
train!

Arriving in London

Our names
are on the
list. We're
coming in!

Wow! Seeing the
White Tower
for the first
time. It was
built by William
the Conqueror.

On our way to
see the Crown
Jewels.
No cameras
please!

We met and saw
some very
important
people.

A King's Guard

A
Beefeater

**Sir Robyn,
a knight**

Sir Robyn
trained us
to be
knights!

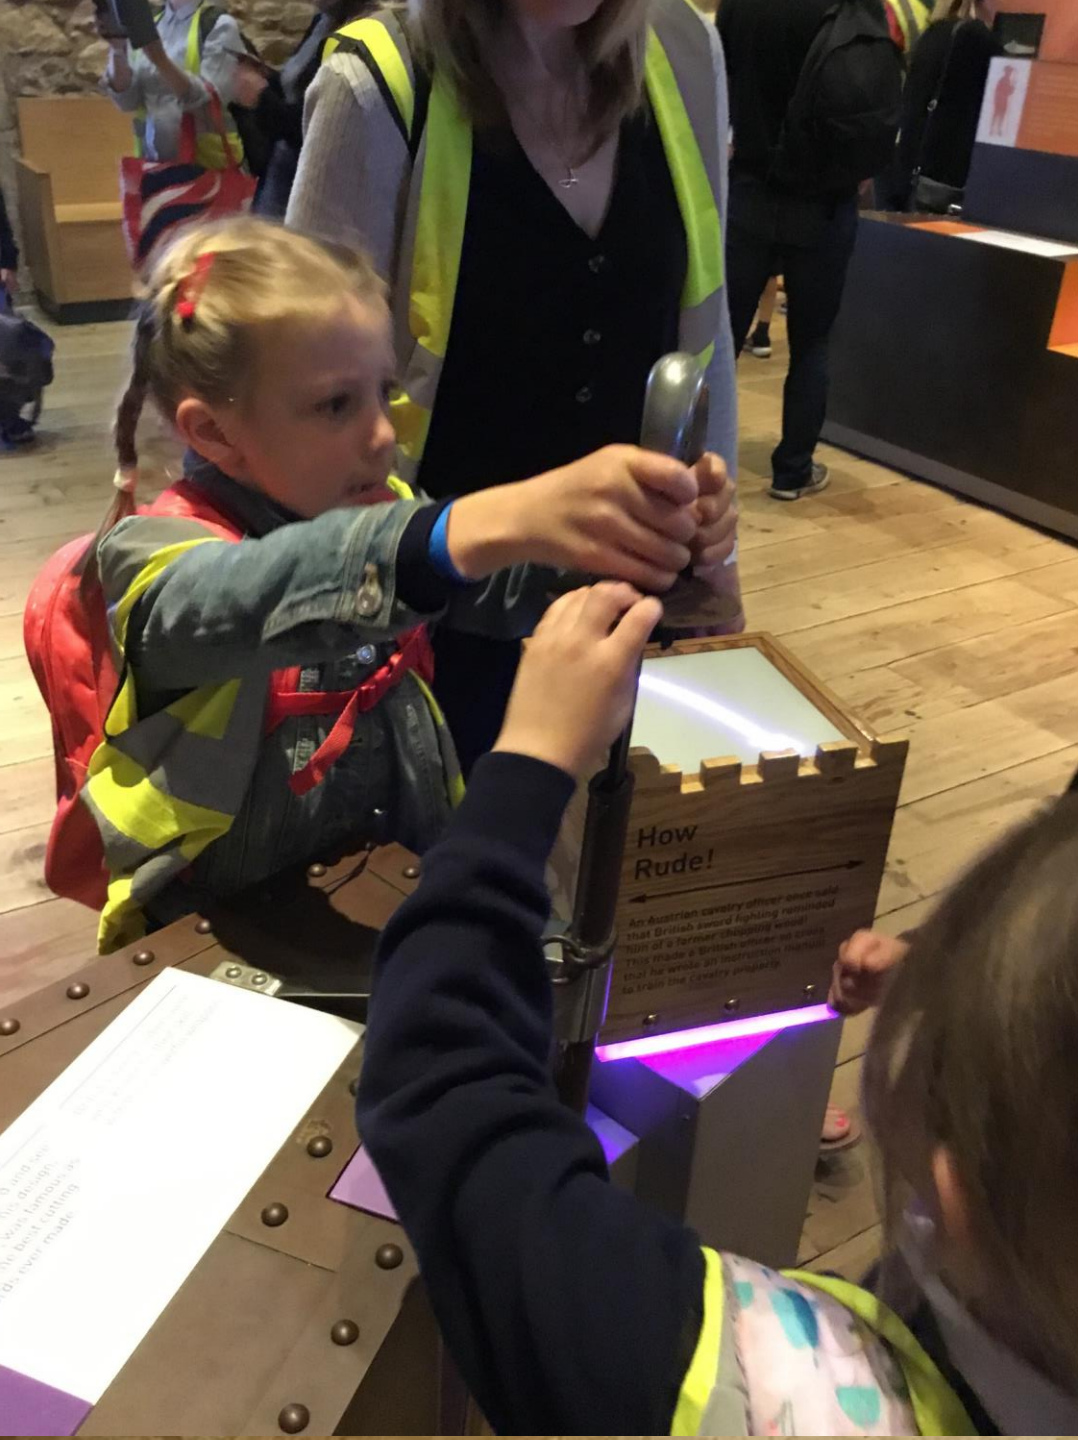

After our training, it was time to have a spot of lunch.

Time to
learn
more
about
how to
defend
the
castle.

Check out the high walls to protect you from your enemies!

a concentric castle

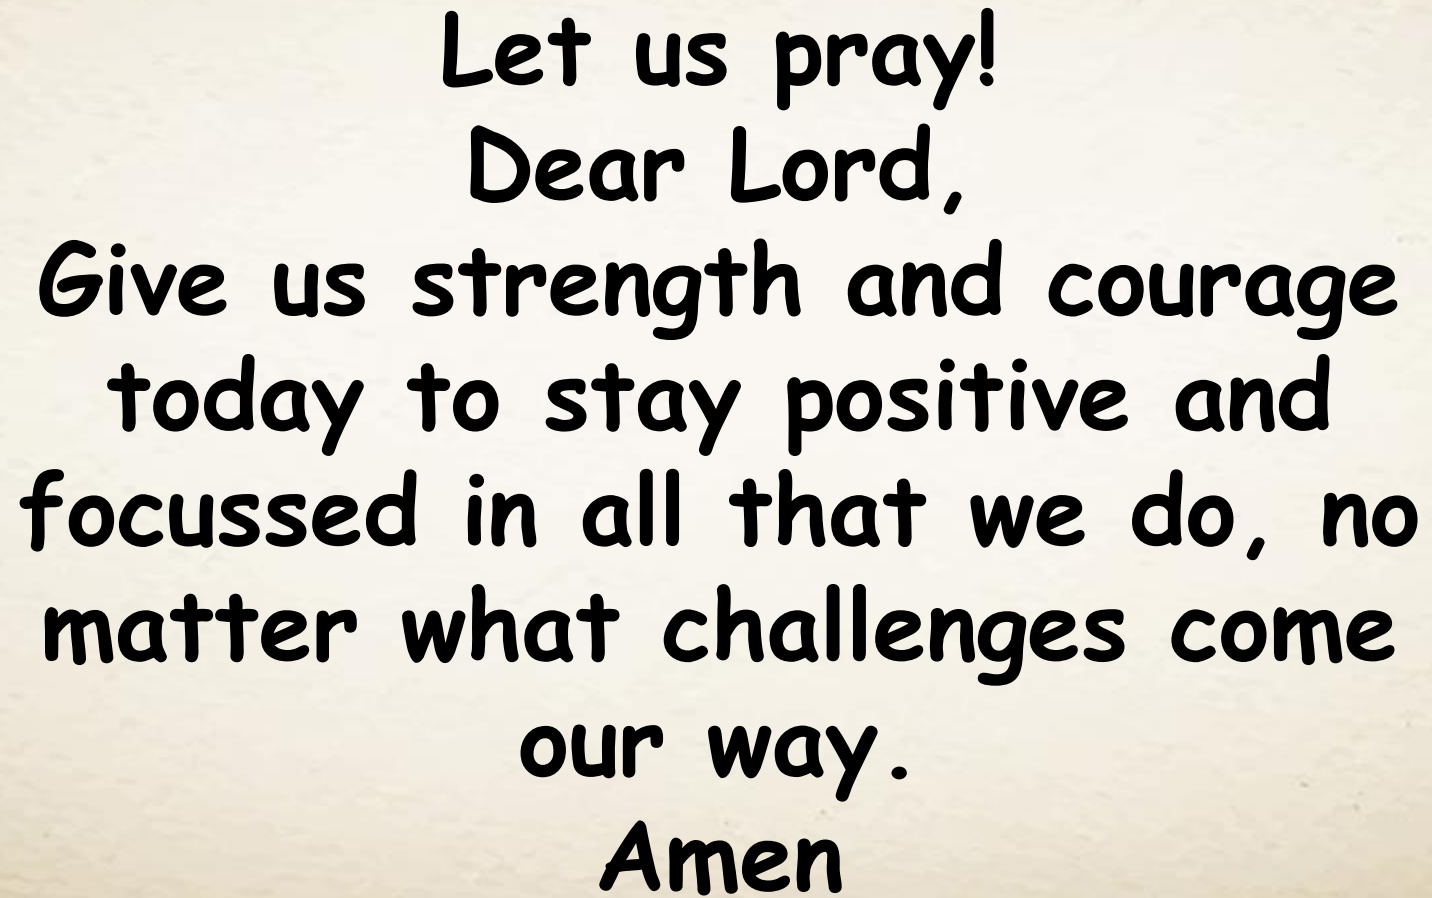

**A great place
to defend a
castle!**

Look
at the
size of
this
dragon!

Let us pray!
Dear Lord,
Give us strength and courage
today to stay positive and
focussed in all that we do, no
matter what challenges come
our way.
Amen

Thank you for listening to our
assembly.
