

Good afternoon,

Only two weeks in and it already seems like the Summer break never happened (Weather wise, not sure it did at all!).

As we welcome new and returning students and parents/carers to 2024/25, the PTA are already back to it. The current committee met on Thursday 12 September to review 23/24 and put together a plan of attack for 24/25. Meetings will be set with Mrs Langton and we are excited to start discussing our next fundraising goal. The next PTA meeting is set to be held at The Hawk and Berry on Thursday 24 October and is open to all those interested to see what we do. Joining us for a drink or two in no way signs you up to the PTA in any official capacity but it would be great to see as many people as possible to offer new perspectives.

Thank you to all those who have signed up to be this years' class reps. We will be updating the website with your details and will be active on the Class Rep WhatsApp group soon enough!

### **UPCOMING EVENTS**

#### **MARS PARENTS COFFEE MORNING - Friday 20 September**

A welcome morning tea will be held for all those parents/carers of the new Mars class, 9.00am-10.00am, Friday 20 September. Tea, coffee and biscuits will be served, and there will be a second hand uniform stall. This will be a great opportunity for the parents and PTA to get to know each other and we expect lots of questions! Parents can simply head over to the hall after drop off in the morning.

#### **ANNUAL TRIVIA NIGHT - Saturday 12 October**

The inaugural trivia night last year was a MASSIVE success with everyone raving about the evening, and so we are very excited to keep this tradition alive. The recent school newsletter referred to the Trivia night being on the original date, however as per the change of date announcement that went out at the end of last year, and the PTA message that went out to class WhatsApp groups, Trivia Night is on **SATURDAY 12 OCTOBER, 7.00pm-11.00pm**. Full details of the night and where/how to buy tickets will follow imminently, however please note the date and get your teams together! (Max six per team). This evening will also include a slimmed down PTA AGM (Details below).

#### **DUNORLAN FIREWORKS TICKETS - Saturday 2 November**

Tickets will be available to purchase through the PTA with a contribution going back to the school. Last year ticket sales resulted in £150 going into the kitty so every ticket counts!

We hope to have the tickets available for the Trivia night however we will also be selling them out the front of the school at drop off during the last week of term so please spread the word. Full details regarding prices to follow.
